How to Run a Minibar System (Free with Every Order)

Glass Door Option (\$15.00):

Minibars with a glass door option allow guests to see what's inside. A plus from a merchandising perspective.

Lock & Key Option (\$15.00):

A lock & key option is a secure way to keep the minibar locked.

Green Energy:

Energy Consumption: 65 Watts, .06 Amps, and 0.08 kWh/24h
